Hey Terry – thanks for last night – it went off very well. I understand you would like some words from us

Terry has been our MC at the Safe365 Safest Place to Work Awards for the last two years. We love the fact that he is well organised, allows the proceedings to flow naturally while keeping to the run sheet and keeping people on point. Terry's personal style and approach allows for a very natural connection with the audience - it is a beautiful combination of professional and casual all rolled up into one so that people can relate to him on a very personal level. Independently of my own comment one of my Safe365 colleagues commented on Terry after last night was " He was soooooo good!" That about says it all. I wouldn't hesitate to engage Terry again for our events and definitely recommend him to others – you won't be disappointed.
N8 do you want to add anything?

Regards
Mark
