Subject: Recommendation?

Hello Shaun.

I've just been asked to submit an application for the NZ speaker of the year award and part of the requirement is written recommendations. Would you be good enough to string a few glowing sentences together on my speaking efforts at your 2019 Finance conference by reply email?

Here's an example:

"Terry kept our team energised & engaged through the day. He capped it off with an excellent motivational talk that caused us all to reflect, inbetween the bouts of laughter. I can thoroughly recommend Terry for any event of this kind".
Murray Bain, CEO TSB Bank

Cool if you can; cool if you can't. Thanks for your time either way.

Remain awesome,

TERRYWILLIAMS

A referral is the best compliment I can receive. If any of your friends, family or business associates require a speaker, please get in touch.
